Safety

### Tiers

1: Issues are relevant & feasible for DuCK to have an impact

2: Issues are relevant, but already addressed through other community coalitions

3: Issues are relevant, but not feasible for DuCK to have an impact at this time

Strategies: Consider when taking action

Foundations: Consider when taking action

# EIP Process with the Action Groups

**Shared understanding**

**Prioritize population results for action**

**Best practice/evidence**

**Discuss opportunity and capacity**

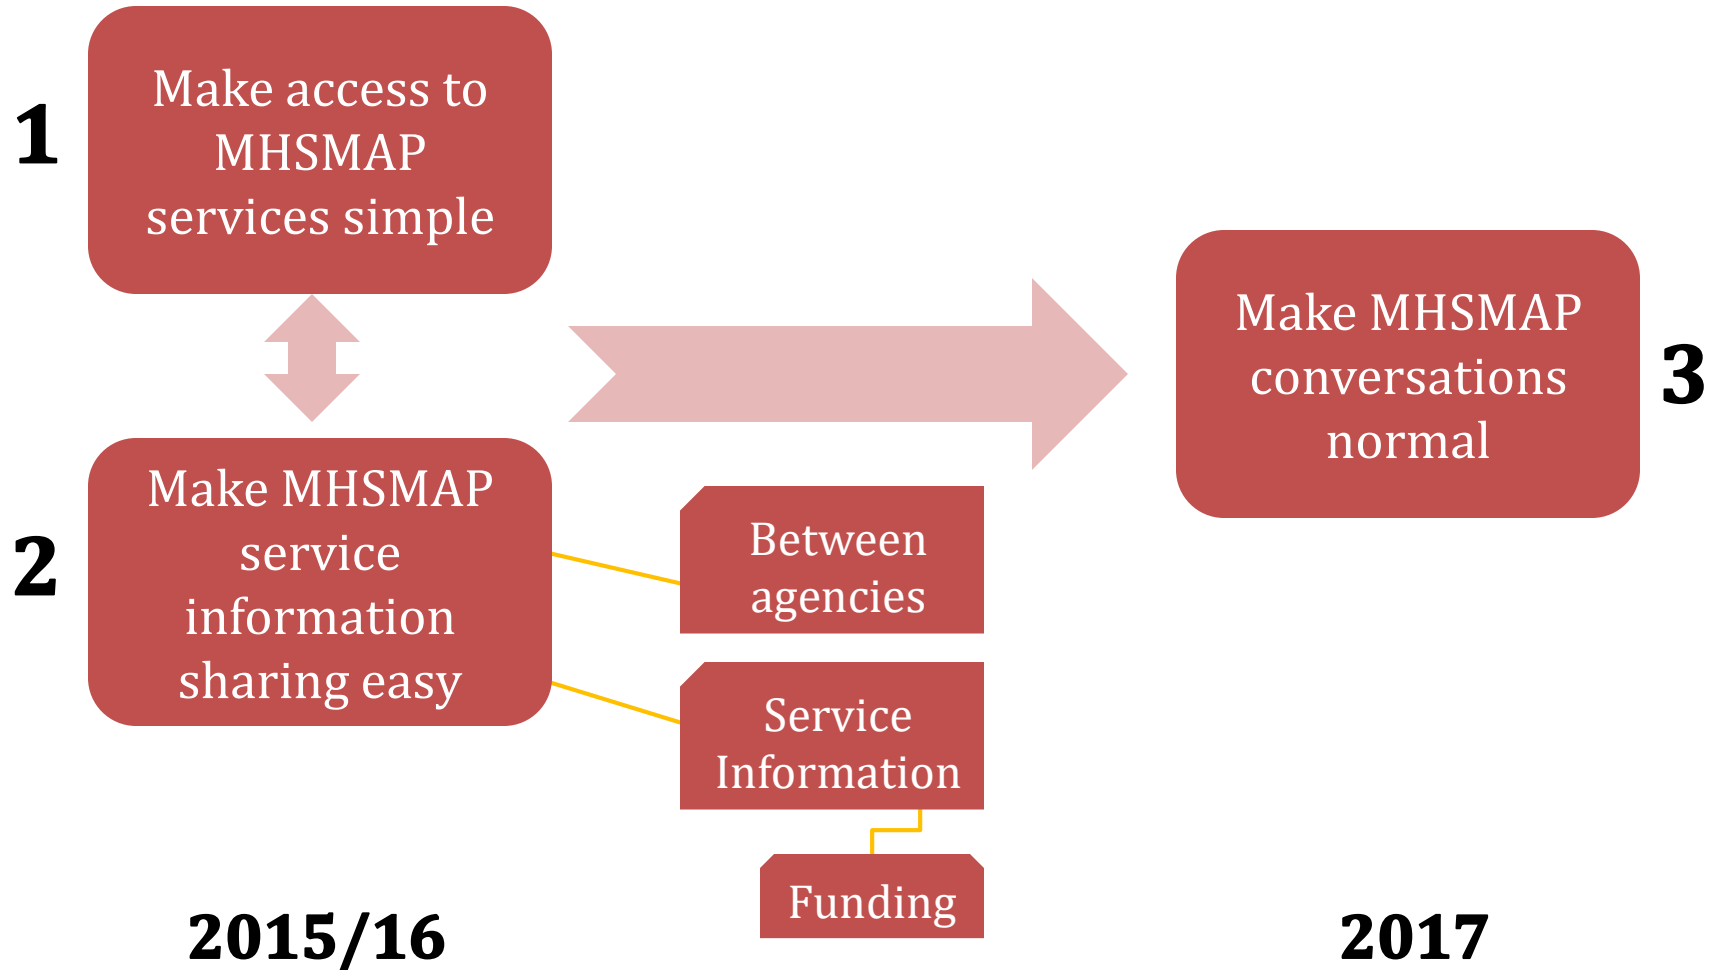

**Develop Strategy & Action Plan for prioritized result**

# Strategy Proposal

**A mental health, substance misuse & addiction service system that is connected, organized and understood by the community.**

# Strategy Proposal

**All parents and caregivers have the resources and knowledge to be active in the optimal development of their children, from preconception to adulthood.**

**1**

**2**

**3**

Make messages consistent

Make access to information easy

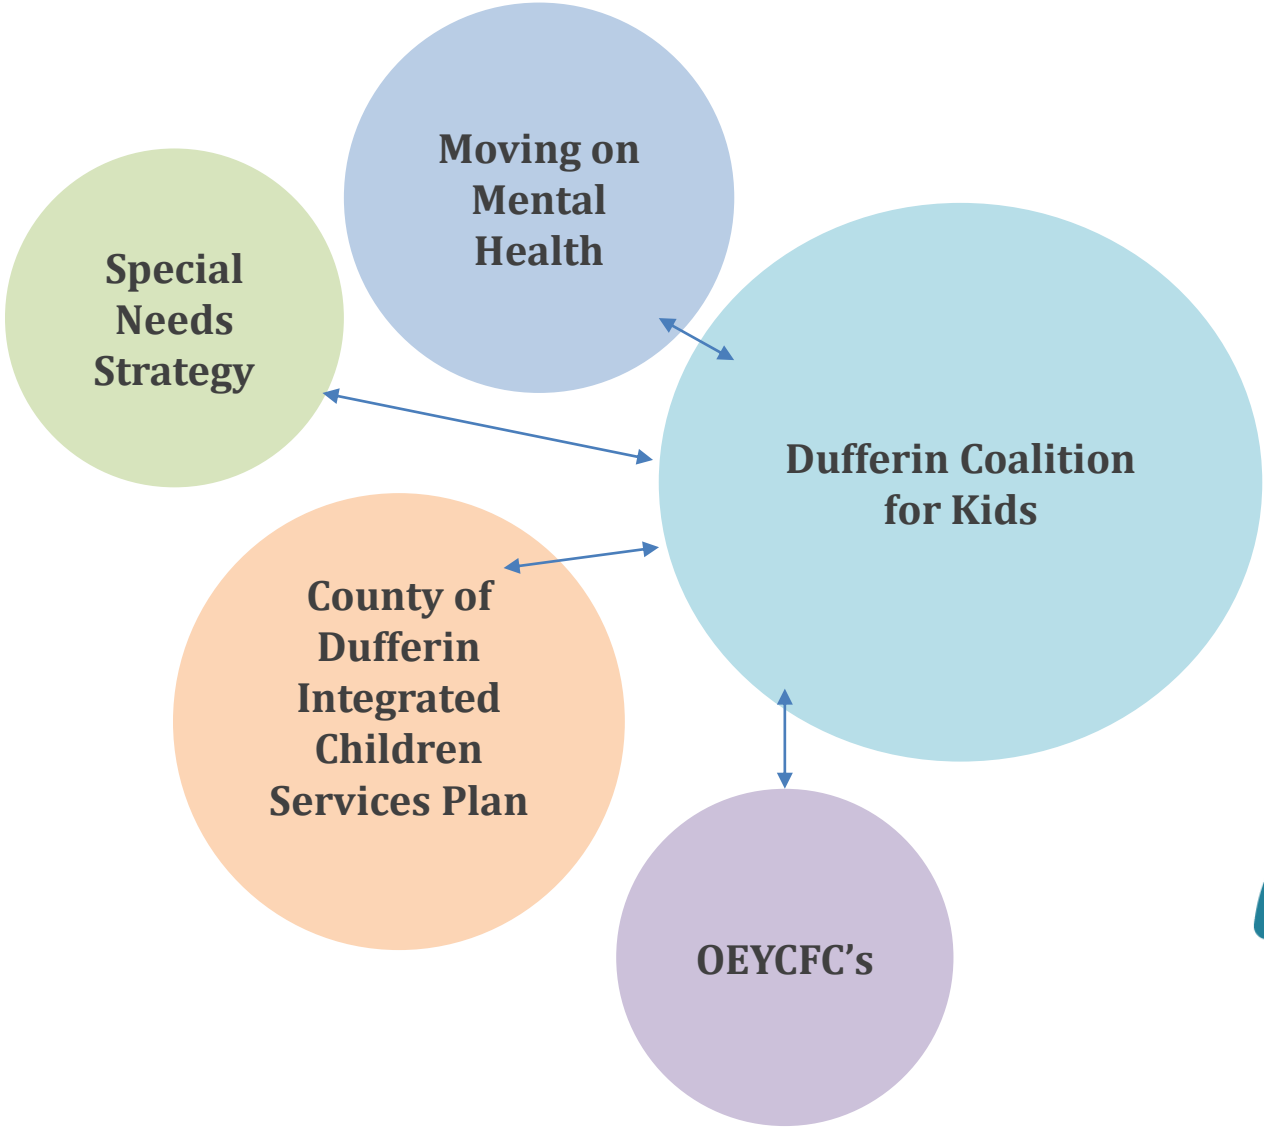

Make communication coordinated and comprehensive

**2015**

**DuCK**  
Dufferin Coalition for Kids

The Dufferin Family Directory was created and is maintained by Dufferin Coalition for Kids (DuCK).

DuCK is a committee made up of community members who represent organizations providing services to families, parents, children and youth within the County of Dufferin. DuCK exists to advocate, plan and promote services and to make recommendations to Federal, Provincial and municipal bodies that help to achieve our vision of success for children and youth in Dufferin County. We support children, youth and their families from pre-birth to age eighteen, covering the spectrum of health, education, social supports, and children and youth services.
